AOOA Farm Announces Spring Opening with Distillery and Donkeys *Botanical-inspired small-batch liquors and new donkey servers to be unveiled in April*

March 1, 2024 (Goshen, NY) - All One One All (AOOA) Farm is thrilled to announce that it will be opening its doors on **Friday, April 5**. In its fourth year open to the public, the nonprofit will once again offer educational workshops for all ages and sell delicious, farm-to-table food and organically grown produce and farm products in its farm stand. New this year is the addition of farm-forward spirits, fruit brandies, and cordials inspired by the bounty of its harvest.

“Just like we sell eggs from our pastured raised heritage hens, wool from our livestock endangered breed sheep, produce from the veggie garden, and honey from the bees, we have begun to concoct artisanal liqueurs made with nuts, herbs, fruit, and vegetables from our farm,” says Alix Daguin, project director at AOOA. “For example, we have delicious Crème de Menthe liqueur made from five different kinds of mint and Crème de Cerise made with just-harvested macerated cherries. The distillery is not only a delicious way to make the most of our abundant harvest, but it makes for a fun new offering for our visitors, too.”

AOOA will introduce a touch of whimsy to its distillery program with charming donkey servers. The donkeys, Armand and Leroy, will be adorned with carefully arranged beverage stations and navigate the outdoor seating areas to offer their signature cocktails. Tippy Fizzes, AOOA's refreshing spin on a spritz, and seasonal mixed drinks—think Bloody Marys during tomato season and Moscow Mules when ginger is abundant—will also be available in the AOOA Tasting Room in the barn. Bottles will be available for purchase in the Farm Stand.

To celebrate the new season and the unveiling of its brand-new small-batch distillery, there will be opening weekend activities including a ribbon cutting and free tours and tastings on **Saturday, April 6**. The public is cordially invited to participate in free events throughout the day: complimentary farm teas and locally roasted coffee at 11:00am, a farm tour with Alix Daguin at 11:30am; the official distillery ribbon cutting at 1:00pm; and distillery tours and tastings with Ariane Daguin all afternoon.

AOOA Farm is located at 221 Craigville Road in Goshen, NY and will be open on **Fridays from 12pm-7pm and Saturdays and Sundays from 10am-5pm from April through September 2024**. About All One One All (AOOA) Farm

All For One One For All (AOOA) is D'Artagnan Foundation's non-profit regenerative silvopasture farm, farm stand, and education center in New York's Mid-Hudson Valley. Founded in 2021 by Ariane Daguin and her daughter, Alix Daguin, the name of the farm is inspired by the famous proclamation in Alexandre Dumas' *Three Musketeers*, which captures the heart of the project: to stand up for what is right and enrich the local community, together. Through responsible farming practices, community workshops, a bountiful and biodiverse harvest, and delicious farm stand goods, AOOA aims to promote a rich local food culture, build a connected and more resilient community, and do its part to contribute to a healthier planet.
